The Greater Lawrence Family Health Center (GLFHC) is embarking on a $3.5 million capital campaign to reaggregate 34 Haverhill Street location and provide better medical services to patients throughout Lawrence. Renovations will include creation of a separate entrance and waiting area for the pharmacy and creating a second floor to support the full range of expanded behavioral and mental health programs. Plans for the third include creation of a customized learning environment for the Lawrence Family Medicine Residency program, hope and healing.

Drive-In Movies Coming To Multiple Tewksbury Venues

Drive-in movies are coming soon to Tewksbury, after both the Merrimack Valley Pavilion and Wamesit Lane from the Board of Selectmen Tuesday night to host movie nights beginning this month.

Merrimack Valley Pavilion plans to show movies Thursdays, Fridays and Saturdays, while Wamesit plans to Sundays. Both received approval through Nov. 15 and need to get sign-off from the police department.

The first Wamesit Lanes drive-in movie night is scheduled for Aug. 30, when they will show “The Sandlot” for the Tewksbury Memorial High School Parent Advisory Council. The movie night may be moved to Aug. 31 if there is rain.

New Grant Award Expands Services for Massachusetts Alzheimer’s and Caretakers

Elder Services of the Merrimack Valley and North Shore (ESMV-NS) was one of only a dozen organizations and the only one in the Commonwealth to receive a new Alzheimer’s Disease Programs Initiative grant from Administration for Community Living. The award is for a total of $854,147 over a three-year project period.

ESMV-NS will start a training program at Bridgewater Inc. and Fidelity House Human Services & Career Resc for staff who work adults with intellectual or developmental disabilities.

Additionally, ESMV-NS will train its information and referral employees and Meals on Wheels drivers on rec behaviors related to dementia to connect individuals with appropriate services.

The grant money will also help expand the Savvy Caregiver program, which is operated through ESMV-NS Living Center of Excellence, which provides evidence-based workshops and training services across the state.

Suffragists Speak: New Book Celebrating the 19th Amendment
