2026 IMAGINE *the* POSSIBILITIES GALA

FRIDAY, APRIL 17, 2026

RENAISSANCE BOSTON SEAPORT DISTRICT

For more than six decades, Bridgewell has been inspiring hope and empowering people experiencing life challenges to achieve their fullest potential. We support people through more than 100 programs across northeast Massachusetts.

Autism and Disability Services – Community Housing, Day Programs and Employment:

Supporting people with intellectual, developmental and physical disabilities through community housing, day programs, employment services and other offerings aimed at empowering them to live safe, self-directed and productive lives.

Behavioral Health Services: Comprehensive treatment for children and adults challenged with psychiatric and sometimes developmental disabilities. Services include outpatient treatment, medication management, counseling, education, evaluation, along with other support.

Homeless and Housing Services: Bridgewell's housing programs include counseling focused on supporting people who are homeless, and person-centered supportive services that help them get on a path to stable housing and self-sufficiency. Bridgewell is also a housing authority, with more than 200 affordable housing units.

Recovery Services: Each person with a substance use disorder requires a different mix of services, such as counseling, community and recovery housing, and job placement. We work in coordination with area hospitals, the criminal justice system, and community agencies to identify people in need and support them on the path to recovery.

Specialized Services: Deliver individualized support and develop programming for people with extensive medical and/or behavioral challenges in addition to their other disabilities as unmet or emerging needs evolve, such as early onset dementia.
